

ARE YOU, A FRIEND OR RELATIVE BUYING OR SELLING A HOUSE OR DOING A RE-FI?

If so, you can help yourself and SJNDS in the process! How is that possible? The Scrip Program has six realtors, one mortgage broker and one realtor/mortgage broker who have generously agreed to donate money to the school if you enlist their services to buy or sell a home or to finance the purchase or refinance a mortgage. Please see the list of parents who are part of the program. **Our school earns \$500 when you, a family member or friend buys or sells a house or finances the purchase of a home or re-finances a mortgage.**

So, if you are planning on selling or purchasing a home or know of any family or friends planning to do so, just contact one of the above realtors and they will be more than willing to discuss the details with you. You get the services of a professional real estate agent or mortgage broker, **a scrip credit of \$5,000 toward your scrip commitment** (if you have one) and the school gets \$500. It's a WIN-WIN situation!
